## How to get to the apartment

you can see the transport prices in this link

<http://www.hostinlisbon.com/pdf/transportes.pdf>

### Transfer

The easiest and fastest way to get there is a transfer. Miguel will wait for you at the exit area (he will have a card with your name) and will drive you to the apartment. If you have a baby he provides a special chair for the car.

### Táxi or Uber

You can also take a taxi, instead of a taxi you can also use Uber which is much cheaper. You should give the driver the following address, since Beco da Laje is not accessible by car: Rua de São Tomé nº 12, on the corner with Beco da Laje (when you go up the small alley it's the long yellow building on your left).

### Metro

The closest station is Martim Moniz. Here are the links for trips from the main stations.
